### The Organization

The Global Network of Women Peacebuilders is a coalition of women and youth-led organizations from Africa, Asia and the Pacific, Latin America, Eastern and Western Europe, the Middle East, and the Arab world—mostly in conflict-affected countries—that are actively involved in advocacy and action for the full and effective implementation of the UN Security Council Resolutions (UNSCR) on Women and Peace and Security (WPS), Youth and Peace and Security (YPS), Sustaining Peace, Gender-responsive Humanitarian Action, and 2030 Agenda for Sustainable Development.

In partnership with local communities affected by violent conflicts and humanitarian crises, GNWP implements programs that build peace locally, teach women and girls how to read and write, promote women and youth peacebuilders to be leaders and decision-makers, and improve women's economic status.
